PROFESSIONAL EXPERIENCE

SKYMAGIC

Independent Contractor — Drone Show Design & Animation

Remote / UK, Singapore, and USA
May 2025 – Present

- Designed and animated complex drone formations for large-scale SKYMAGIC shows, translating creative concepts into precise 3D motion sequences and air-safe flight paths.
- Worked closely with the creative and engineering teams to develop polished simulations and high-fidelity previews for client approvals.

SKD International

Drone Show Design & Animation

Remote / Dubai, UAE
May 2024 – March 2025

- Spearheaded end-to-end design of drone light shows (300 - 2,000 drones), collaborating closely with global clients to transform creative briefs into synchronized aerial spectacles.
- Led cross-functional teams of animators and engineers to deliver 5+ large-scale shows for corporate events and national celebrations.
- Developed streamlined workflows for 3D animation-to-drone path conversion, reducing production timelines by 7 days while maintaining artistic integrity.

FREELANCE EXPERIENCE

Freelance

Visual Design, 3D Design, Art Direction, Merchandise Design

Remote, IN
Oct 2019 – Jun 2024

- Managed over 200 clients on Fiverr, delivering high-quality visual and 3D design services across diverse industries.
- Led merchandise design for 100+ startups and high-fashion brands, ensuring brand consistency and driving customer satisfaction.

Zillionaire India

3D Visual Design, Art Direction, Post Production

Remote, IN
Jan 2023 – May 2023

- Created stunning 3D visuals for luxury jewelry designs and directed art for marketing campaigns, significantly boosting brand visibility and audience engagement.

Follow The Leader

Graphic Design, Website Design

Remote, New York, NY

- Designed merchandise graphics for a New York-based BMX brand, collaborating with Redbull athlete Billy Perry to enhance brand identity.
- Developed a website prototype tailored to the BMX community, optimizing user experience and engagement.
